### ***NH Building Trades Announces Endorsement of Kris Roberts for NH Senate in District 10***

**Manchester** – Steven Burk, President of the New Hampshire Building and Construction Trades Council, released the following statement on the organization’s endorsement of Kris Roberts (D) in his campaign for New Hampshire’s 10<sup>th</sup> State Senate seat.

“The New Hampshire Building and Construction Trades Council is proud to announce our endorsement of Kris Roberts in his campaign for the New Hampshire District 10 State Senate seat,” said President Burk. “Of all of the candidates seeking our endorsement, Representative Roberts was the only individual who left us with the belief that he stands behind all of the workers in our industry. In his 12 years as a New Hampshire State Representative, Kris has never wavered in his support for working families. We’re proud that he has unequivocally pledged to support passing a Prevailing Wage law for New Hampshire, which will raise wages and keep more of our hard earned tax dollars in the local economy. We look forward to working with Kris in the Senate.”
